

# PRODUCT SPECIFICATION

REF 901901 CEDERROTH BURN GEL SPRAY

## 1 GENERAL PRODUCT DESCRIPTION

### Description

A pump spray containing a sterile burn gel for the immediate first aid treatment of minor burns, scalds and sunburns. The gel rapidly cools and soothes the burn injury, prevents further tissue damage and offers a rapid and ongoing pain relief. The gel is easily sprayed from the bottle by pressing on the nozzle. The spray bottles are packed in a display carton

The Cederroth Burn Gel spray fits into Cederroth First Aid Stations.

### Storage information

Dry storage in temperatures between 0°C (32°F) and +38°C (100°F). For maximum protection, keep in original package until use.
